GITHUB:

The screenshot displays the GitHub profile of user `sudharshan25bai10706-gif`. The profile includes a circular avatar with a green and white pixelated pattern, the name **S G SUDHARSHAN**, and the username `sudharshan25bai10706-gif`. The **Overview** tab is active, showing popular repositories, a contribution calendar for the last year (2025), and contribution activity for March 2026. The **Popular repositories** section features a repository named **BANKING-SYSTEM**, described as a Python-based software application for simulating banking operations. The **7 contributions in the last year** section shows a calendar grid with a single green square on November 1, 2025. The **Contribution activity** section for March 2026 indicates no activity yet. The bottom section shows the **Files** tab for the `S-G-SUDHARSHAN / README.md` repository, displaying the file's content: a personal introduction and a sentence about digital literacy.

S-G-SUDHARSHAN

NAME : S G SUDHARSHAN

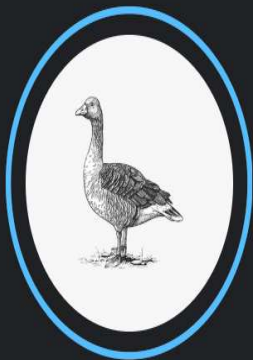

REG NO : 25BAI10706

BRANCH : BTECH AI AND ML

YEAR : 2025-2029

SENTENCE What i hope to learn is that how to use computers, smartphones, and other digital tools confidently. It teaches me how to find, evaluate, and use information from the internet effectively and responsibly. Through digital literacy, I can communicate and collaborate safely online while protecting my personal data from digital threats. It also enables me to create digital content and use technology to solve problems. Overall, digital literacy helps me think critically and use digital tools wisely in my daily life.
